# Cole Named Board Chairman

Albert Cole, Jr., was chosen chairman of the board of selectmen Tuesday night as the board reorganized at a special meeting held at the water treatment plant.

Cole succeeds Mrs. Susan T. Poore, Andover's first woman chairman of the board, who was elected to serve as secretary for the current year. Selectman Edward M. Harris was chosen vice chairman.

The reorganization portion of the meeting was brief, cordial and marked by appreciative remarks and welcoming comments to the two new members of the board.

Mrs. Poore opened by welcoming James Abramson and Virginia Cole, elected to

the board on Monday and also Jared S. A. Clark the new town manager, attending his first formal session of the board.

Mrs. Poore expressed appreciation to her colleagues for their help and co-operation during the past year. She said the past year had been a difficult one and looked forward to working together with the new members and new manager "with great anticipation."

Selectman Harris then expressed his appreciation and that of the board to Sheldon S. Cohen, who had served from Oct. 19 until Monday as the town's acting manager, following the resignation of former

# Abramson Edges Salamone In Poor Voter Turnout

*Conferring*

Town Manager Jared S. A. Clark, right, who began his new duties here Monday, confers with Sheldon S. Cohen who had been serving as acting manager since last October. Cohen, returned to assistant manager with Clark's arrival on Monday, and began reviewing budget preparations with the new administrator.

## Clark Begins New Duties

Jared S. A. Clark, Andover's new town manager began his duties here Monday morning, being sworn in by Town Clerk Elden R. Salter, then proceeding to set up meetings with department heads.

Clark has not been a stranger to Andover since his appointment by selectmen to a five year term as manager a month ago. In the interim he has been conferring with Acting Manager Sheldon S. Cohen on such things as budget and town meeting preparations.

Also, Clark purchased a home at 7

Azalea Drive and is planning on moving his family from Dover, N. H. where he had been serving as city manager, about the first of May.

And, he got a jump on his new Andover duties by spending Saturday with the Finance Committee during its all day session as the financial review unit made preparations for issuing its recommendations for the annual town meeting.

Of his Saturday meeting with the FinCom, Clark terms it, "Overall very productive. I am confident the Finance

committee and I can work together through understanding mutual concerns."

The new manager said the FinCom had demonstrated a spirit of co-operation on Saturday when they agreed to supplement the reserve fund in order to provide him with more flexibility in administration during his first year in Andover.

"I appreciate their exercising their responsibility, but allowing this flexibility is a great help during the manager's first year in the town," Clark said. He noted

Andover's poorest town election turnout in years produced two new selectmen Monday, with James Abramson the successful candidate for the three year term — only contest on the ballot.

Abramson, Andover businessman and president of the Andover Chamber of Commerce, was the winner in the four-way race for the three year term on the board polling 41 more votes than Philip J. Salamone, who had been serving as selectmen since his appointment last May.

Mrs. Janet D. Lake, making bid to return to the office she held for three years, finished third with 717 votes, 164 below the winner, while Karl Haartz was fourth with 278 votes.

Total voter turnout was 2,815, about 18 per cent of the over 15,000 registered voters in the town.

Mrs. Virginia Cole, former school committee member and present vice chairman of the Finance Committee was elected to the one year term on the board of selectmen. She was unopposed for the position created by the resignation of Selectman Richard J. Bowen in January to accept a city manager position in West Virginia.

The only other matter to be decided by

## Commendation And Compliments For Election Division

While Monday's town election apparently didn't interest Andover voters, it did appeal to the state supervisor of elections, Marcia Milay, who was on hand to view the processing of the returns Monday night.

The state election official viewed Andover's punch-card voting system and the processing of returns by the computer and was complimentary in her remarks about the procedures.

She told Town Clerk Elden R. Salter she was impressed with the operation and the speed with which

the returns are processed.

A commendation was accorded former Town Clerk Irving O. Piper, who introduced the system to Andover over a decade ago. The retired town clerk, who now assists the election division as a warden in one of the precincts, put the system in by purchasing the machinery over a period of time, and conducting instructional courses for voters prior to its actual introduction.

Milay congratulated Piper on his foresight for bringing such a voting system to the town.

## Doherty In New Role Election Day

For the first time in 40 years, with the exception of the years he was in the service, James D. Doherty didn't open up a polling place on election day.

Doherty, who was unopposed as a candidate for moderator, has served in the election department in varying capacities, most of the time as warden in precinct four.

Due to his candidacy, he no longer was involved in the election,

thus Monday marked the first time in four decades that he hasn't opened up for an election of any type in the town.

Doherty will be at town meeting, only in a different role this year. As moderator, he will preside over the session, rather than checking off voters entering the hall, and tabulating votes, as has been his custom during the same 40 years.

## Rabies Clinic Will Be Held April 15

The Rabies Clinics, sponsored by the board of health, and conducted by Richard D. Lindsay, D.V.M. will be held on Saturday, April 8, and Saturday, April 15, between 8:30 a.m. and 12 noon in the Doherty School Gym. The fee for the vaccination is \$3.00.

Under the General Laws of the Commonwealth of Massachusetts, Chapter 217, of the Acts of 1969, all dogs 6 months of age or older shall be vaccinated against rabies by a licensed veterinarian and all vaccinated dogs must be revaccinated at intervals not exceeding 24

months. In accordance with a Town By-law, dog owners in Andover must present a rabies certificate before a new license can be issued.

Dog license renewals are due during the month of April for 1978. The town clerk's office staff will be at the gym so that those wishing to obtain a dog license at the same time the rabies shots are given may do so. Cost is males, \$4, females \$6, spayed females, \$4. When registering a spayed dog for the first time, a spayed certificate is required.

## Tsongas Van Here Friday

Congressman Paul Tsongas' Mobile Office Van will be in Andover, Friday, March 31, at the town hall, Main Street from 10 a.m. to 3 p.m.

The purpose of the mobile office is to make constituent services available to all fifth Congressional District communities.

Staff members will be available so that residents may register views or to help with problems

related to the federal government. These include Social Security, veterans' benefits, unemployment compensation, dealing with the energy crisis, and other types of assistance.

The Mobile Office will complement services provided by the Lowell Congressional offices. These offices remain available for assistance.

## Tour Of Andovers By Film

The Andover Historical Society will present a "Tour of the Two Andovers" on Sunday, April 2 at 3 p.m. at the Blanchard house, 97 Main St., Andover.

This slide-film show starts at North Andover center and covers the cemeteries on Academy Road and historical houses on Osgood and Andover streets in that town. It then moves to historical houses and buildings on Elm,

Essex, Central and Main streets in Andover, followed by Phillips Academy and Andover Theological School buildings.

At the controls will be photographer George Glenie.

This showing is under the direction of Mary Winstrom, chairman of the Education Committee.

The public is invited.

There is no admission charge.

*The Cast*

Andover high Drama club members who will present "Dr. Gorilla," Friday and Saturday, April 1 and 2, at West Junior High Auditorium, include, from left, Patti Barney, Dana Rosengard, Dennis O'Meara, Kate Normandy, Dan Edelstein and Director Bob King.

## "Dr. Gorilla," On Stage

The Andover High Drama Club will present "Dr. Gorilla," an old mystery-thriller, reminiscent of movies of yesteryear or late night television, this weekend at the West Junior High auditorium.

The play depicts young Priscilla Del Mar (Janet Leonard) who has journeyed to Vermont with her superstitious cousin Patsy (Jill Normandy) and her boss's son Chester (Dennis O'Meara). She has come to view "Olde Dark House," her inheritance from a wierd uncle who carried on even wierder experiments! Unfortunately the property burned down under mysterious circumstances, so they are forced to seek shelter in the home of mysterious Dr. Gorilla, a legendary master criminal.

Unknown to the girls, "guests" at a nearby "Home For the Upset" have also invaded the premises. These include Grandma Hatfield (Doreen Eisenhaur), the Gingerbread lady from Hansel and Gretel (Sue Danforth), Lizzie Borden (Patti Barney), and Sweet Alice Blue Goon (Patty O'Connor).

When Dr. Gorilla himself shows up, all manner of zaniness cuts loose — disappearing corpses, side splitting chase

sequences, mistaken identity. Toss in a comedy singing act, The DePayne Sisters (Jane Cormier, Barbara L'Italian and Cathy Cambell) who break into song whenever they're nervous, a gang of crooks, a ghost or two, a romantic cop (Rich O'Hara), sinister servants (Dan Edelstein and Kate Normandy), a two-headed man (Pat Canavan) and you've got some idea of what's in store for you.

The performance will begin at 8 p.m. on Friday, March 31 and Saturday, April 1 at the West Junior High Auditorium. Tickets are on sale at the door.

# Antique Expert Is Library Speaker

In celebration of National Library Week the Memorial Hall Library will present a special program, "Antiquing with George Michael" on Friday, April 7 at 7:30 p.m. Michael will explain how to identify antiques and will examine and discuss articles from the audience.

George Michael has been in the antiques business since 1950. Beginning his career as an auctioneer, he has advanced by public television to present a series on antiques designed to educate, inform and entertain viewers. His programs are aired coast to coast on public PBS television stations.

Michael serves as consultant on antiques to "Yankee Magazine" and is a member of the senior advisory board on antiques to the Early American Society, publishers of "Early American life". He is the author of four books, Antiquing With George Michael, Treasury Of New England Antiques, Treasury Of Antiques Of The Federal Period and Basic Book Of Antiques.

Michael instructs courses on antiques at the Universities of Maine and New Hampshire; the Boston Adult Evening Education Center and at many museums, Historical Societies and art centers. He serves as tour guide to antiques buyers to countries all over the world and he is an antiques enrichment lecturer for the Royal Viking Lines.

Michael resides in Merrimack, N.H. with his wife and five sons, all of whom have an active interest in antiques as collectors. When asked what he collects, he replies, "Information." This is the most valuable resource in antiquing. When others impart information to me, I share it immediately with my readers and viewers."

Smoke from a burning cigarette, compared with smoke from a smoker, contains: two to four times more particles, tar, nicotine, and phenols, five times more carbon monoxide, four times more nitrous oxide and 46 times more ammonia, Massachusetts Audubon points out.

## Photo Exhibit At Addison

An exhibition of Photographs by David T. Hanson, Ellen Foscoe Johnson, Goodwin Harding, Stephen Felkel, Bonnell Robinson, will continue at the Addison Gallery of American Art through April 2. The exhibit includes color photographs of western landscapes by Hanson, a series of black and white photographs entitled "Crossing" by Robinson, and pallidum portraits by Johnson. Harding's photographs of nature in Oregon, and Felkel's studies of New England houses are also on exhibit.

In addition to the photographs, Video Tapes by Bob Lewis are being shown through April 16th. Lewis' tapes are striking black and white studies of Ancient Stone Temples on the Island of Malta and the Maine coast. A short work of Lewis' computer animation is also being shown. Lewis' soundtracks are a mixture of poetry by T. S. Eliot, his own, and electronic music.

The Addison Gallery is open free to the public Tuesdays through Saturdays from 10 a.m. — 5 p.m.; Sundays 12:30 — 5 p.m.

team and after a hard fought four quarters the teachers won. Much of this game was played on the floor as students and teachers alike scrambled for the ball or ran over each other during what would have been speedy break-aways. Losing this game was not terribly depressing since the girl's varsity got a chance to dunk their coach in the showers after the game.

The boy's varsity played an excellent game against the Faculty Allstars. It's surprising how many of the players were on both of the teachers' teams. The students won this game by a large margin.

The beginning of this game consisted of a great deal of bantering from both benches. When the Faculty Allstars realized that this game wasn't going to be as easy as first expected they got down to some hard playing that made an exciting four quarters. The students outshone the faculty with their fancy lay-ups, dunks, 360's, hookshots, etc. Congratulations to all the teams.

Host and hostess for the 1978 senior prom were elected by the Junior class this week. These students, Pete Newton and Paige Whitley, are the representatives for their class, since it is the entire Junior class that sponsors the prom. They are also expected to help with the directing of the event. The Junior class recently sponsored a magazine drive. They sold approximately \$2,500 worth of subscriptions to area residents. Only about half of that is profit but they are slowly building their treasury. An excellent prom is expected.

## The Language of Flowers

by Gerry Trull

Become an anonymous member of WW (Water Withholders) and help your succulents in their long evolution to stay "dry." After all, they've spent years adjusting to their natural environment in the wild. All it takes is some discipline to pass them by once or twice on your regular watering rounds. Succulents are patriotic, too. Set the thermostat lower or turn the air conditioner off — these hardy plants withstand heat and cold, pollution, smog and water shortages. In short, a group of conservation minded, adaptable friends to enjoy all year round.

At TRULL'S MILL HILL FLOWER CENTER, 411 River Rd., 851-6161 you'll find a wide array of interesting succulents for your year round enjoyment. You'll also find a full selection of beautiful fresh cut, dried and silk flowers to choose from. Ask us about our plant rentals, and be sure to take advantage of our weekly 99¢ cash & carry specials. Open: 9-5:30 Mon-Sat.

### Letter From Carter

Mrs. Lucille Berry, an Andover resident, with letter received from President Jimmy Carter, appreciative of her suggestions for cost efficiencies at the IRS center.

## Gets Letter From President

President Jimmy Carter sent a personal letter to Mrs. Lucille A. Berry of this town, a tax examiner in the Internal Revenue Service Center, thanking her for a suggestion which is saving the government \$5,252 a year.

Director M. Eddie Heironimus presented the letter in behalf of President Carter. The President's letter read:

"Your contribution to the improvement of government operations was brought to my attention recently. I want you to know

how much I appreciate your interest and your efforts.

"Our country is a great country due to the achievements of citizens at all levels of our society. If we are to succeed in improving the quality and performance of our government, cooperation and support such as you have extended are needed from each and every public employee."

Mrs. Berry's suggestion to have special pre-printed labels for an IRS form not only saves money but increases efficiency.

### Tour Of Newburyport

Bring a picnic lunch to the Peabody Museum of Salem on Saturday, April 1 at 9 a.m. The Museum is conducting a special tour of old Newburyport, whose commerce once rivaled Salem's in the hey day of shipping, abounds in historic sites. Timothy Dexter Esq.'s house, the Bulfinch courthouse, the site of the tea burning which preceded Boston's tea dumping, not to mention the first planned shopping center, dating from 1811, are all part of the Day in Newburyport. The 1654 Tristram Coffin house, will be the first stop, moving on to the Custom House on Water Street, which now houses the Maritime Society Museum. After a picnic lunch, visit the grand 1818 Cushing House and then walk through the redevelopment area. Like Salem, Newburyport has been engaged in a massive effort to preserve and adapt its ancient buildings and lanes to the 20th century. The group will return to the Peabody Museum of Salem by 3 p.m.

### Election

(Continued from Page One)

the voters on Monday dealt with removing from civil service status, clerks, office manager, administrative aides, and stenographers in the public works depart-

ment, which was approved 1,720 votes to 678.

The action follows similar procedures taken by the town the past few years to remove positions in the DPW from civil service classification.

Despite the single contest on the ballot, candidates had hoped for a much better turnout, due to active campaigning particularly in the last week. The campaign, with few issues, developed into a concerted effort to get out the vote in the final stages, but even the candidates themselves expressed disappointment at the final tally.

As returns trickled into town hall Monday night, the lead between Abramson and Salamone wavered, with neither candidate able to amass a comfortable margin as the precinct totals were read off.

Final precinct to report was the Ballardvale area, which provided Abramson with his margin, a total of 881 votes to Salamone's 840. Salamone, appointed last May to fill the vacancy created by the resignation of Alan F. French, congratulated the winner by telephone immediately following the announcement of the final totals. He also dispelled any thoughts of asking for a recount. Salamone said the machinery used by the town in the election process—computer punch cards—has been proven accurate in other

recounts in which the margin was much closer, and he would not put the town through that process.

Top vote getter in the election was James D. Doherty, unopposed in seeking the moderator position, with 2,815 votes.

Also unopposed were Elaine Viehmann, seeking re-election to the school committee for a three-year term, who received 2,090 votes; Joan Lewis, who received 1,836 votes as a trustee of Punchard Free school to fill a vacancy and Winston A. Blake, re-elected to a five-year term on the Housing Authority with 2,145 votes.

Although the new precinct lines and their polling places have been used previously, there was some confusion as voters went to old locations, and were directed to their new voting places.

With the punch card system, the final returns were announced and posted in the town hall lobby about 9 p.m., an hour after the polls closed.

### Education Seminars Continue

The Issues in Education series of seminars sponsored by the Andover schools continues next Thursday with the topic: "Developing Behavioral Objectives for the Classroom."

Guest lecturer will be Elaine Woodman, diagnostic programmer for the Groton-Dunstable Public Schools who will speak at 3:30 p.m. in the Large Group Room at Andover High.

"Projective Testing," with Andover Psychologist Larry Larsen, will follow on Tuesday, April 11, and the series will conclude April 25, with "Biomedical Recommendations to Educators: Their Specificity and Limitations." Guest lecturer will be Martha Denkler, M.D., director of the Neurology Learning Disabilities Program at the Children's Hospital Medical Center.

# Photograph By Gray Highlights Collection

## In Portfolio

A time exposure on SX-70 film by Willis E. Gray of Andover is part of an unusual exhibition of superb Polaroid photographs, representing the finest of several thousand pictures submitted by employees of Polaroid Corporation. The collection is currently on display at the Clarence Kennedy Gallery in Cambridge, through April 28.

In Gray's cityscape, the lights from a ball field, buildings, and moving cars form an eye-catching pattern, while the last rays of a purple sunset hover on the horizon.

Gray became interested in conventional photography while still in high school. He started using Polaroid cameras and film when he joined the Cambridge-based firm 18 years ago. He has attended and represented Polaroid at workshops taught by renowned photographer Ansel Adams in Carmel, California and has also served on the selection committee for the 1976 annual member's show of the Friends of Photography. Gray is a senior manager in Polaroid's Film Division.

Other photographs by Gray were selected for Polaroid employee exhibits in 1977 and 1976.

Polaroid Portfolio marks the third year that employees of the Cambridge-based manufacturing firm have put together a unique collection of striking, quality images.

The Film stars Orson Welles as racketeer Harry Lime.

## Christian Science Lecture

Mrs. Ruth Elizabeth Jenks, C.S. will deliver a free Christian Science lecture in First Church of Christ, Scientist, 278 North Main St., Andover, on Thursday, April 6, at 8 p.m.

"A New Beginning" is the provocative title of the lecture. It develops the premise that an awareness of God's healing presence is possible to each one of us. Mrs. Jenks shows physical healing, but in the far more significant spiritualization of life and the regeneration of individual character.

Mrs. Jenks separates Christian Science healing from mere "wishful thinking" and shows it to be based upon the teachings and demonstrations of Christ Jesus as set forth in the Scriptures.

Mrs. Jenks is a member of the board of lecturship of The First Church of Christ, Scientist in Boston. The lecture is open to the public without charge.

The 16 annual St. Augustine's Pari-Fam Annual Assembly will be held on Saturday, May 6 at Central Catholic Auditorium. This traditional night of friendship, entertainment and dancing is being co-chaired this year by Art Rourke and Dick Sullivan. This year's show again is being written and produced by Dr. William O'Reilly and Aime Reming.

There will be dancing until 1 a.m. to the music of The Versatones. There will be special recognition of those persons celebrating their 25th or 50th wedding anniversaries. Free transportation to and from the assembly is being provided for the elders of the Parish.

Reservations for the evening are being handled by Joanne Morrow and Art Rourke. Mr. Rourke may be contacted any

weekday evening at his home at 180 North Main Street, Andover.

### Collections Increase

Massachusetts tax collections for February totaled over \$182 million or \$7 million more than February 1977, based on preliminary tabulations. The eight-month increase over the same period last year is

more than \$248 million.

State Tax Commissioner Laurence D. Fitzmaurice said, "The employees did excellent work in processing the thousands of returns, payments and refunds to catch up with the backlog caused by the blizzard." For example, deposits on the last day of February exceeded \$44 million, and the amount of current refunds issued was \$7.7 million higher this February.

### Count Basie

The University of Lowell presents Count Basie and his Orchestra, with special guest Ramsey Lewis, in an "Evening of Jazz", April 7 at the Lowell Memorial Auditorium. Part of the 1978 campus Jazz Festival, the event is sponsored by the University's Student Social Committee and student chapter of the Music Educators National Conference (MENC).

# This election is more than Sawyer vs. Tsongas.

# This election is Tsongas vs. you.

You sent Tsongas to Washington twice to do a job for you he didn't do.

You don't have two more years to wait for him not to do it again.

You don't have two more years to find out that the only thing left you can afford to check out of a supermarket is you.

You don't have two more years to find out that the most insecure thing about your future is Social Security.

You didn't send Tsongas to Washington to watch while taxes go up, wait around while the little you need to survive on got out of control and do nothing while, everyday, big government gets bigger, costs you more and does less for you.

When was the last time the late news coming out of Washington was good for you?

Even if you're working two jobs, you still wind up twice as far behind.

It isn't a matter of being a Liberal or a Conservative or a Democrat or a Republican.

It's a matter of making sure you matter.

It's a matter of common sense. What good does it do you to have a Congressman who knows more about what's going on in Ethiopia than he does about the length of the unemployment line in Lawrence or Lowell or anyplace you're trying to work and keep on living in the Fifth District?

The issue here at home is food stamps, not Foreign Policy.

You're not going to get a Congressman who's willing to come face-to-face with the problems until you get one that's willing to come face-to-face with the people.

This time you've got a chance to get one.

Your kind of Republican.  
Bill Sawyer.  
Bill Sawyer. Congress.  
This time it's your turn.

What you're voting for is your house, the food on your table, school for your kids and what's going to happen to you starting the day you stop working.

You're voting for you.

It's about time somebody did.

You're voting for somebody who's going to look out for your interests, so you've got to make sure that he not only knows what those interests are, he's got to want to work hard to do something about them.

For somebody who's going to look out for your welfare in time to keep you off welfare.

For somebody who believes people can do a lot more about it than politicians.

Bill Sawyer. Congress.  
This time, it's your turn.

Just fill out this coupon, get it back to us and we'll get back to you:

- ☐ I'm willing to go door to door to do something about the two party system instead of knocking it.

## Tennis Is For Everyone

So believed the Parents and Friend of Handicapped Children and the New England Tennis Association, when they launched a Handi-Racket program for disabled youngsters. Old Colony Tennis Club of Andover joined the movement, donating its facility, and using club volunteers as instructors.

Giving their time for the first session just concluded were Sheila and Elise Balboni, Miriam Andrews, Bo, Jill and Pam Kennedy, Laura Goodman, Steve Neyman, Mellie Coon, Laurie

Lewis, Ann Maher, Dot Starkweather, Priscilla Bartle, Linda Desmarais and David Gray.

Volunteers are now needed for the new session which will begin April 2, and continue for eight Sundays, from 5 to 6 p.m. Those interested in lending a hand may call Old Colony Manager Barbara Kennedy.

## Salamone – 'No Regrets'

Philip J. Salamone, who lost out on his bid to secure a seat on the board of selectmen to which he was appointed last Spring, was quick to congratulate his successor Monday night.

Salamone called James Abramson within minutes after the final totals were announced, wishing the new selectman success.

Surrounded by his campaign workers at his Carisbrooke street home Monday night, Salamone said he had no regrets about the effort he had put in the past nine months since his appointment to fill the vacancy after Alan F. French resigned.

"It has been a good experience. I feel I was able to contribute something to the board during that time," Salamone said.

He said he couldn't basically come up with any specific reason to explain the loss

by 41 votes to Abramson. "I'd guess that people just voted for what they felt most comfortable with."

He said that the issue of his appointment to the board and the matter of the town manager's reappointment never surfaced during the campaign.

He hoped the new board would start out with no problems of comparison with past boards.

Salamone felt sorry for campaign workers. "These people really take it harder than the candidate I think. I told them when we started out to have fun and even in defeat it won't be disastrous. But they worked hard and were disappointed."

As for the future, Salamone said he would have to give it some serious thought as to whether he would be a candidate.

## Turnout Was Disappointing

Mrs. Janet D. Lake, defeated in her bid to return as an Andover selectman, was more upset "that so few people cared enough to express themselves," in Monday's election.

Mrs. Lake, defeated a year ago, finished third in this year's voting for the three-year term on the board of selectmen. She was the first woman elected to the board in 1974.

"It's not the first time I have been defeated for the wrong reasons," Mrs. Lake said, noting the 2,800 voter turnout.

"Until people understand how necessary it is to get out and vote, we will have these problems," Mrs. Lake said.

She was high in praise of her campaign workers, stating "among the precious things that happened Monday was the dedication of the people who worked in the rain and considered it a privilege. I know that gives some hope that others will realize what a precious privilege the right to vote is and have more concern for that right," Mrs. Lake said.

Janet Lake and husband Herbert, were disappointed at turnout.

Karl Haartz gets a handshake from Selectman Edward Harris.

## Karl Awaits Town Meeting

Karl Haartz, long time observer of the Andover municipal scene, and frequent town meeting orator, was at town hall shortly after 8 p.m. Monday to check the election returns which saw him defeated in his bid for a three-year term as selectman.

As returns drifted in and were posted in the town hall lobby, Haartz opened a large envelope and produced a prepared conces-

sion statement congratulating the winner and thanking those who supported his candidacy.

The statement, commenting on the importance of voting and participating in the governmental process, gave every indication that Haartz will continue in his role as observer of the municipal scene.

His concluding line was "I hope that we will all be together at town meeting."

## Carter Attempting to Cut National Defense Budget

WASHINGTON — President Carter has been looking for ways to cut the defense budget. He could save millions by closing some military bases that aren't really needed.

Confidential White House minutes show that Carter had hoped to announce several base closings by mid-March. A canceled base will bring constituents swarming like agitated hornets over Capitol Hill. As a result, congressmen who cry out against the waste of paper clips will defend the most extravagant and unnecessary military facilities in their districts.

The president anticipated this. According to the confidential minutes, he promised to back Defense Secretary Harold Brown to the hilt when he started closing bases.

But senators began to get wind of bases that might be closed and raised a howl at the White House. Carter needed their votes to pass the Panama Canal treaties, the energy bill and other important legislation. So the president began to relent.

A coalition of labor unions and citizens groups, meanwhile, complained that the president was insensitive to economic hardships in the communities that would lose bases. So he is now about to issue an executive order expressing concern for the problems caused by base closings.

But this still won't satisfy the coalition. They will demand benefits for workers who get laid off as a

result of defense dislocations. They will also call for other specific aid.

As a result, poor Jimmy Carter has just about abandoned the idea of closing down bases and most of them will remain open.

**Slave Uprising:** There's a quiet slave revolt going on here in Washington. The last remaining slaves in America work for foreign diplomats. They're the maids that the ambassadors bring here with them.

Some of the maids are actually treated like slaves and many others are overworked and underpaid. They have been afraid to complain because they could be shipped home and punished. Most of the ambassadors are powerful men back in their native countries.

We've been in touch with some activists who are quietly trying to organize the diplomatic servants. The activists have formed the Association of Hispanic Domestic Workers.

Two weeks ago, the group had a private meeting with Immigration Commissioner Leonel Castillo. He agreed to help improve the working conditions of the maids.

They don't have diplomatic immunity, so Castillo has the authority to check on their immigration status. He intends to use this power to help them escape intolerable working conditions.

If the diplomatic maids should ever strike, it would create untold hardship for the ambassadors whose main occupation seems to be wining and dining.

**Soviet Disruption:** The

Soviet Union has been disrupting the American shipping industry. The Soviets have been squeezing the Americans out of the international shipping routes. It amounts to an undeclared maritime war and the communists have been beating the capitalists at their own game.

Here's how the Soviets are doing it: Huge Russian cargo ships roam the high seas, looking for cargo to carry. Once they find cargo waiting to be shipped they immediately undercut all competition. They sometimes slash their rates by as much as 50 percent.

Of course, the Soviet maritime industry is subsidized by the Kremlin, thus enabling the Soviet shippers to cut their rates to the bone. They don't have to worry about making a profit since the Soviet government makes up the difference.

The Soviets keep their rates low until they have squeezed out the competition. As a result, they already dominate most of the shipping routes. They've pirated an estimated \$600 million worth of trade each year that American shippers could be hauling. The unfair competition is causing havoc in the U.S. maritime industry. Ship building has almost stopped and maritime unemployment is high.

Now the Soviets have moved into the Gulf of Mexico and are trying to steal business right in our own backyard. House Merchant Marine Committee Chairman John Murphy,

D.-N.Y., is now studying legislation to counter the Soviet competition.

**Headlines and Footnotes:** President Carter has promised to sell sophisticated jet fighters to Egypt and Saudi Arabia. But, according to high-level Senate sources, the proposed arms sale has a very slim chance for approval. Several legislators consider the deal an attempt by Carter to pressure the Israelis into unpopular peace concessions. Our sources report that Senate leaders will visit the White House in the next few weeks and demand that the president reduce the number of fighters being sent to the Arab countries.

— Officials at the Agency for International Development privately admit that they are planning for a huge upsurge in malaria around the world. A huge outbreak is expected soon in Central America as well as in Africa and Asia. Agency planners are now frantically working on massive new aid programs for more than 35 countries.

An international meeting of malaria experts is planned for October. AID officials blame government short-sightedness and procrastination for the resurgence of the disease. Malaria was almost eradicated in several Asian countries in the last decade, so foreign governments lost their concern about malaria. Now, disease-carrying mosquitos are immune to the old poisons and no new pesticides have been developed.

## Abramson Wants Speedier Decisions

James Abramson, daughter, Wendy, nine and wife, Joan.

James Abramson, newly-elected selectman, is interested in speeding up the decision making process in town government.

The 41-vote winner of the three-year term on the board, only contest in Monday's town election, receiving the well wishes of campaign workers, friends and family at his Kathleen Drive home Monday, night, said he was happy to have won, but somewhat disappointed at the voter turnout.

He felt a town like Andover which prides itself in being involved in a leadership role, could have responded in larger numbers to the election, even despite some adverse weather conditions.

As for his plans, assuming his new duties Tuesday night, Abramson feels it necessary to speed up the decision making process. The selectman said that he would be looking into seeing that everything that had been passed by voters at the past two town meetings was moving ahead, or would get underway shortly. Following this year's town meeting he wants the actions of the voters put into motion quickly.

Abramson is also interested in what he calls "grantsmanship," a job of coordinating efforts toward obtaining state and federal funding for Andover projects. "I think we should get our fair share of federal and state funding. I don't buy the fact that we don't need it," Abramson said as he expressed the need for some definite moves toward insuring Andover's proper reception of state-federal grants.

Abramson also feels the selectmen should be involved with industrial land owners to get development going in those areas. He feels the board can assist in impressing upon potential industrial developers that Andover is interested in obtaining good clean industry to assist in broadening the tax base.

As for the campaign, Abramson congratulated the candidates in the contest for the three year term for conducting an excellent campaign on a high plain.

Koala Inns, a motel chain desirous of building a 124-unit motel on the Valle Steak House property in West Andover, will petition the board of appeals in May for a permit to construct the facility.

Robert Agnello, president of the firm, appeared before the Industrial Development Commission this week with altered plans for the Andover facility, which he feels is more in keeping with the character of the town.

Koala had petitioned the board in February for a permit to build the motel, but plans presented at that time were based on other units owned by the chain.

Agnello told IDC members Monday night, that since that time, an architect and designer had been retained to improve the plan for the Andover location, as well as some additional work on the setting for the proposed motel.

IDC Chairman Dr. Lawrence S. Spiegel, had indicated to Koala owners that some phases of the plan presented earlier should be altered to keep the proposal Andover in character and suggested the obtaining of additional land for buffer zones and landscaping.

Agnello, with Sam Ange, treasurer of the firm, told the board Monday night that an additional two acres had been obtained from Valle's Steak House and that landscaping would be provided. Robert Sions, of Valle's and Herbert Goodman, architect and designer, accompanied Agnello for the presentation.

Agnello explained that Koala is a small New England chain, with six inns operating at present with plans for additional locations, Andover to be the eighth or ninth.

The Andover facility will be 124 rooms. Among basic concerns expressed at the original presentation in February were the density factor, which has been corrected with a new contract between Koala and Valle's providing the inn with six acres of land rather than four. The area will be landscaped to be compatible with the area, Agnello said.

As for design of the building, it has been altered substantially from the initial presentation. "We will make an all-out effort here in Andover, to have the building in keeping with the character of the town. It is designed to be serviceable and functional in keeping with the Koala principles, yet will vary in appearance from its other units. The exterior will be brick and cedar, with two accent panels. The V-Shaped building will provide parking facilities at the door and still meet town regulations in that regard.

## A Memorable Election

Monday's election should go down as a memorable one, by virtue of the lack of support given to the Democratic process by the voters Andover.

Total voter turnout was a little over 2800, or about 18 per cent of the total 15,000 registered voters of the community.

Weather could hardly be an excuse.

It was a rainy day and at times foggy, but the rainfall and elements must be classed as weak excuses for not getting out on election day.

There was only one contest, admittedly, but the four candidates seeking the one three year term on the board of selectmen, conducted a good, healthy campaign, and, we feel, were entitled to more consideration by the electorate of the community they wished to serve.

Monday's election, disappointing in response, to say the least, resulted in the poorest turnout for a town election in many years.

In recent years, with more contests on the ballot and some issues debated along the campaign trail, the voter turnout still has been less than it should be for a community like Andover which prides itself on so-called leadership qualities.

It is a trend we look upon as somewhat dangerous as the town faces problems relating to its constant growth.

While election turnout is one thing, attendance at town meeting can likewise be cited as being indicative of the apathy of Andover toward its municipal operations.

It is often still a difficult effort to get a quorum of 350

voters to a town meeting, even though there are now 15,000 eligible to attend.

Understandably town meeting is not the forum it was originally conceived to be, since it would be impossible to accomodate all residents should they decide to show up.

But, with the growth of the town in recent years, one could reasonably expect to have larger audiences to transact the town's municipal business.

Only if such things as dogs or schools are on the agenda, or some other personal piece of business, are the specific interest groups spurred to action at town meeting time.

It seems an easy thing to complain when things don't seem to be going right in the town. But, when voters, fail to respond to their duties on election day, or leave such matters as the business of town meeting to others to care for, complaints must fall on deaf ears.

Before assigning the municipal election to the record books, we would like to commend the candidates in the contested race for selectman, for their efforts.

All agreed it was an enjoyable effort, getting along on the campaign trail which took them before students groups to senior citizens.

Their conduct and decorum all along the way was on a high plain. When the results were announced, the losers were quick to call the winner and wish him luck.

At least this part of the election had a decidedly Andover ring to it.

## Down The Years With The Townsman

### 75 Years Ago — March, 1903

Representative Cole has presented to the House of Representatives, a petition signed by over 200 voters, urging upon the General Court a memorial to Congress for government control of the mines and also a constitutional amendment for municipal coal yards.

The selectmen held a regular session on Monday and voted to leave the matter of marking street bounds up to the town engineer, John E. Smith. Charles E. Marland was appointed a surveyor of wood, lumber and manure.

The Andover Golf Club has joined the United States Golf Association in order to become a member of the Massachusetts Golf Association, a membership in the former, being a requisite for joining the latter.

Anybody wishing to have concreting done on the sidewalk in front of their land should make application with the selectmen at once.

The wiring gang which has been at work for the Andover Electric Co. rewiring the town, has completed its work and gone to Lowell where they will be placing wires underground.

### 50 Years Ago — March, 1928

At a meeting of the selectmen this week, David C. Gillespie and Carl Stevens were appointed motorcycle officers in the police department.

About 70 boys are expected to report for practice with the Stowe school baseball team next week. There are three returnees from last year, Raymond Reed, captain; William Kimball, right fielder and Harry Gouck, second base. Good looking candidates for this year include Walter Pearson and Higus Asoian.

An Ayrshire cow, Champion Florence Lass, owned by the American Woolen Co., farms in Andover, has won the silver cup for record production. The award, a national honor, is made by the Ayrshire Breeders Association.

The annual get-together conducted by the Punchard Alumni Association for members of the senior class is to be held in town hall tonight. Serving on the committee are Frank Petty, Eleanor Downs and Mrs. David May.

Frank H. Hardy has returned to his Shawsheen Road home from the National Association of Brush Manufacturers convention held in Atlantic City. Mr. Hardy

was chosen chairman of the household industries division.

### 25 Years Ago — March, 1953

It would appear that Edward I. Erickson, superintendent of schools in Methuen, and who served in a similar capacity here, may replace Kenneth L. Sherman as head of the school system. Erickson has expressed an interest in the post being vacated by Sherman at the end of this year.

Edward A. Doherty will leave the Andover school system to begin his football coaching duties in Lawrence on April 4. Leading candidates for the head football coaching job here are Walter Roberts and Robert B. McIntyre.

Selectmen this week held a lengthy discussion concerning the proposed construction of a municipal parking lot on the former Shaw property on Main street.

An employment office will be opened at the gates of the Marland Mills to serve that facility and the Stevens and Osgood Mills in North Andover. The office is a new service of the M. T. Stevens Company.

## Poet Joins Staff At Junior High

Ms. Helena Minton, a professional poet, has joined the staff of East Junior High School during March and April. Through the efforts of Ms. Ellen Goldman, an eighth grade English teacher, and Mrs. Annetta Freedman, director of media services for the Andover School System, a grant from the Massachusetts Foundation for the Arts and Humanities has been secured to fund Ms. Minton. It was a similar grant which allowed David Perry to serve as filmmaker in residence for the last two years.

By April vacation, Ms. Minton will have spent ten days at East Junior High School. During each of those days she will have met with groups of students who have indicated interest in poetry or writing in general. Her efforts are intended to develop creative expression and sensitivity in writing. Ms. Minton will also meet with English classes in general as well as with individual students and with teachers in order to develop follow-up activities.

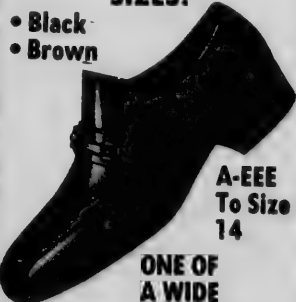

The program will culminate in an evening gathering at which time Ms. Minton will meet with students and their families to read and discuss the poetry students have written.

# St. Augustine's Leads Juniors

By Rick Harrison

St. Augustine B assumed sole ownership of first place in the Andover Church Basketball League Junior Division recently, dumping prime challenger St. Augustine A, 19-9.

St. Robert's and Christ Church A also remained near the top of the pack with some excellent play.

## St. Augustine B, 19-9

St. Augustine B clung to slim leads over previously-undefeated St. Augustine A in the first three periods of their showdown battle.

It was 11-6 and anyone's game until the fourth quarter, when Chris Bartley's four points keyed an 8-3 B-team surge for the 19-9 victory.

Chris Bartley and Joe Hart shared game-high point honors for the winners, now 7-09, as they netted 6 apiece. Scott Grant added 4, Ron Peck had a last period bucket, and Scott McAllister swished an early free throw.

Jeff Smith and Paul Sheedy canned 4 points each for the A-crew (6-1), while Mike Power converted a second period charity toss.

Matt Shine, Brendan Lynch and B-teamer Steve McGettrick also played well.

## St. Robert's, 25-0

Single baskets by Greg Najjar, Jeff Smith and Mike Autiello got St. Robert's off to a 6-p0 start in the first period, and that proved to be more than enough as Ballardvale never got untracked.

Najjar finished the game with 7 points, Rich Bourdelais had 6, Chris Sapuppo 4, Smith 4, Mike Moynihan 2 and Autiello 2 points.

Playing well for BU were Andy Burke, Bobby Nutter, Steve Smith and Sheila Monigan.

## St. Augustine A, 9-4

St. Augustine A had a few problems with upstart South-Baptist for three periods, but finally broke things open in the final stanza for a hard-fought 9-4 victory.

A first quarter basket by Dave Flanders gave S-B a 2-0 edge, but Jeff Smith netted three points for St. Augustine A to offset a Dave Sorrie free throw for a 3-3 halftime tie.

Jamie O'Brien's third period fieldgoal made it 5-3 St. Augustine, and in the fourth

session Paul Sheedy scored a basket and Mike Power canned a pair of free throws to seal the win.

Billy Scanlon, Tim McAllister, Josh Malitsky and Brendan Lynch were other stalwarts for St. Augustine, while Jerry Nassif and Dave Bartle added hustling efforts for South-Baptist.

Jeff Smith netted all four of his points, including a pair of clutch free throws, in the last period. Sheedy finished with a game-high 8 points, and Mike Powers flipped in a fourth stanza charity.

Chris Sapuppo led St. Robert's with 4 points while Najjar, Bourdelais and Mike Autiello chipped in two-pointers.

quarter baskets to give Christ Church B a 4-0 lead, a margin that stood up until the fourth period when Ballardvale United swished three free throws to make it close.

John Pray notched a pair of charities, and Bobby Nutter had the third foul shot, but it wasn't quite enough for BU.

## St. Augustine A, 18-11

Jeff Smith couldn't miss in the first quarter, tossing through 10 points, and St. Augustine A breezed through the last three periods to sink Christ Church A, 18-11.

C-C, trailing 18-5 after three quarters, staged a minor rally in the last stanza. A 6-0 burst brought the score to 18-11, but seven points was as close as C-C could come.

Jeff Smith led all marksmen with those 10 quick points, Paul Sheedy added 4, Bryan Poisson 2 and Jamie O'Brien 2 points.

Mike Hogg was high for the C-C crew with 6 points, Dale Hough dunked 2, Beau Jones 2 and Andy Frost delivered a first period free throw.

## Scoring Race

Chris Bartley of St. Augustine B leads the individual scoring race in the Junior Division with 65 points, but breathing right down his neck is teammate Joe Hart with 63.

## TOWNSMAN Sports

### St. Augustine C, 20-4

Sean Hynes poured through 10 points, all in the second half, as St. Augustine C pulled away to a 20-4 triumph over Ballardvale United.

Frank Odum pocketed 4 points in the opening quarter to get the victors off-and-running, while other solo buckets were bagged by Drew Dunn, Joe Hurley and Paul Zahornasky.

Andy Burke did all the damage for BU with a pair of third period fieldgoals.

### Christ Church A, 22-10

Christ Church A fell behind St. Augustine C 2-0 on a first period fieldgoal by Sean Hynes, but Beau Jones' six points in the second quarter led a 10-2 C-C run and the lead kept building from there.

Dale Hough, whose six points in the third stanza put the game out of reach, shared overall honors with Jones as each stuffed 8 points for the game.

Dave Pratt chipped in 4 markers, Andy Grant had a second period basket, and Mike Hogg turned in a strong defensive game for C-C.

Sean Hynes was a one-boy wrecking crew for St. Augustine C, but his game-high 10 points weren't quite enough.

### St. Augustine B, 32-0

Chris Bartley tossed in 12 points, Ron Peck 8, Scotty McAllister 8 and Steve McGettrick 4 as divisional leader St. Augustine B ran roughshod over Christ Church B, 32-0.

The score was 10-0 after one stanza, and the victors added four in the second quarter, eight in the third and 10 more in the fourth.

### St. Augustine C, 14-0

St. Augustine C also blitzed Christ Church B, 14-0, as Sean Hynes dropped in seven points, Frank Odum had 4, Jeff Hurley 2 and Drew Dunn a third period foul shot.

Jeff Holmes and Paul Zahornasky added fine all-around floor games for the victors.

### St. Augustine B, 17-6

St. Augustine B grabbed an 11-2 halftime cushion against Christ Church A and then coasted to a 17-6 victory.

Chris Bartley, hitting single fieldgoals in each of the first three periods, closed with 6 points.

Joe Hart contributed 5 points, Ron Peck 2 and Scott McAllister 2.

C-C's attack featured single buckets from Andy Frost, Andy Grant and Dal Hough.

### St. Augustine A, 13-10

A pair of first quarter fieldgoals by St. Augustine A gave it a 4-0 advantage over St. Robert's.

However, in the second quarter Chris Sapuppo hit twice, Greg Najjar, once and Rich Bourdelais added a fieldgoal for an 8-4 halftime lead for St. Robert's.

Sheedy cut the difference to 8-6 in the third session, and a 7-2 St. Augustine A burst in the final period capped the comeback in.

## Girl's Hoop League Ends

Last Saturday marked the end of the R/CS Girls' Elementary School Basketball season.

St. Mary's of Lawrence, led all year long by an overpowering offense and a ball-hawking defense, maintained its perfect record and as a result took the league championship. "Teddy's Angels" of Doherty, led by team M.V.P. Patty Coffey, came in as runner-up with one loss for the season. In third place were the Shawsheen Red Hots featuring Suzie Sellers as the squad's most valuable player.

Tied for fourth spot were the Bancroft 78'ers and the Sanborn Shooting Stars with identical .500 marks. Sue Lutz was selected as the 78'ers' most outstanding performer while Shelley Mailhot received the same honor for the Sanborn squad. The Shooting Stars just edged out their

same school rivals, the Sanborn Stars by a one game margin. Mary Opel was the most consistent player for the Stars during the season and she was recipient of the team's M.V.P. trophy.

South School, competitive in virtually every game it played, managed only one victory and finished just one notch above the last place West Wildcats. M.V.P. for the South Tigers was Joanne Saalfrank. Although winless, the Wildcats were an improving squad that was led by one of the leagues' top players, Dodie Powell.

# Intermediates Clear Makeup Games

By Rick Harrison

Divisional regular-season champ South-Baptist, St. Robert's D and St. Robert's C all registered back-to-back victories over the same teams within a 24-hour span recently, as the Andover Church Basketball League Intermediate "Gold" Division played twice on consecutive days to clean up its slate of makeup games.

South-Baptist, now 12-0 overall, slipped past West Parish by 45-35 and 32-29 scores at the West and East Junior High gyms respectively.

St. Robert's D, now 9-3, trimmed St. Augustine B by 33-22 and 28-16 scores.

St. Robert's C nipped St. Augustine A 43-42 in double overtime, the division's fifth OT contest of the season, and came back for a 31-26 conquest of the same club the following night.

## South-Baptist, 45-35

South-Baptist grabbed an 8-2 first quarter lead as West Parish missed numerous inside shots.

Divisional scoring leader Billy Vickers, who also tops the entire ACBL in scoring, and Scott Zimmerman put on a second period offensive show as they hit on a variety of twisting drives to make it 27-13 at halftime.

West Parish played an excellent second half, outpointing S-B 22-18, but it wasn't enough.

Vickers emerged as game-high marksman with 24 points, including 10 in the second period, while Zimmerman added 15 for the leaders.

Chipping in single buckets were Darren Lowe, Jim Denoncourt and Pedro Gleason.

Steve Johnson and Jim Lowe shared the scoring honors for West with 10 points apiece, Ricky Desmarais notched 7, guard Danny Kimball scooped in 4 and J. R. Lindquist added 4 points.

## St. Robert's D, 33-22

St. Augustine B threw up an excellent

zone defense, forcing St. Robert's D to shoot primarily from the outside, and the victors came through thanks to the marksmanship of Bobby French and Tom Middleton.

St. Robert's moved in front 9-4 after one quarter, stretched the lead to 21-10 by halftime, then traded buckets with St. Augustine B over the last two periods.

Bobby French led the attack with 15 points, Tom Middleton netted 12, Dan Boland 4 and Todd Sleath 2 points. Jim Terrior did not play.

Middleton continued his professional foul shooting, swishing 4-of-4 to extend his streak to nine straight.

Ken Doherty led the balanced St. Augustine B offense with 6 points, Joe Nerden bagged 5, Dick Nerden 4, Glen Markey 4, John Nerden a pair of free throws and Joe Escott hit a charity toss.

## St. Robert's C, 43-42 (2ot)

Clutch foul shooting by Buddy Ward and Neil Saunders was instrumental in St. Robert's taut double overtime victory over St. Augustine A, 43-42.

St. Robert's C broke a 7-7 first quarter tie to take a 19-11 halftime lead, and the eventual winners held a 27-19 advantage after three periods.

However St. Augustine A, led by newcomer Jim Seltzer's fine display of ball-handling and penetration to the hoop, rallied for a 14-6 fourth session point spread to tie the game 33-33 after regulation.

Seltzer and Pete Scanlon hit baskets for St. Augustine in the first OT, but St. Robert's countered on a bucket by Tony Romano and two free throws by Buddy Ward to keep it knotted 37-37.

In the second overtime Neil Saunders and Romano scored fieldgoals, while Saunders also swished a pair of foul shots.

Seltzer answered with a pair of baskets, and Scanlon hit one charity, but it wasn't quite enough as St. Robert's C chalked up the exciting 43-42 decision.

Tony Romano was game-high with 18 points, Neil Saunders added 17, Tom O'Brien netted 6 and Buddy Ward had those two key free throws for the winners.

Bob Veilleux and Gonzalo Cabral also played well.

Jim Seltzer pumped through 15 points for St. Augustine A, Brian Mackey added 10, Mark Connolly 8, Tom Bolduc six and Pete Scanlon 3.

Jim Wiseman added a fine defensive effort.

## South-Baptist, 32-29

Despite the absence of West Parish high-scorer Steve Johnson, South-Baptist faced a real struggle before protecting its perfect record with a 32-29 victory.

The score was knotted 8-8 after one period, but an 8-2 burst by S-B in the second quarter gave it a 16-10 halftime

bulge. WP kept chipping away over the last two periods, but couldn't quite make it all the way back.

Billy Vickers, scoring in every stanza, was game-high with 17 points and became the first ACBL player this season to sur-

THE TOWNSMAN, MARCH 30, 1978

By Rick Harrison

Undefeated divisional champ Ballardvale United, second place St. Robert's B and third place St. Augustine C all registered easy victories in recent Andover Church Basketball League Intermediate "Blue" Division play.

Ballardvale kept its unblemished record intact, trimming St. Robert's A 39-24 to

boost the overall ledger to a flashy 12-0. St. Robert's B won its fourth straight and hiked its mark to 9-3, blasting Christ Church A by a 45-5 score.

St. Augustine C captured its third in a row with a 38-3 conquest of Christ Church B.

## Ballardvale, 39-24

St. Robert's A, sparked by John Terrion and Chris Fay, outpointed Ballardvale 10-3 in the second quarter to trail only 18-12 at halftime.

The clubs traded buckets in the third quarter to make it 26-20 BU entering the final period.

Divisional scoring leader Steve Todd then went on a tear, firing through 10 points as United broke the game open with a 13-4 burst.

Todd finished the contest with 27 points, Rodney Hollenbeck added 11, and Dave Baker came through with a second quarter free throw.

Also turning in fine floor games for Ballardvale were Scott Stephens, Tom Darling, Greg Baker and Dana Belpedio.

John Terrion led the counter-attack for St. Robert's A with 11 points, Chris Fay bagged 5, Mike Sleath 4, Kevin Byrne contributed a fieldgoal and Jon MacLean converted a pair of last quarter free throws.

Tommy Dolan, Geoff Dowell and Brian Molloy also starred for St. Robert's, which played without high-scoring John Williams.

## St. Robert's B, 45-5

Jeff Vecchi continued his outstanding play for St. Robert's B, stuffing 16 points to power the club to a convincing 45-5 triumph over Christ Church A.

Jeff scored in every quarter enroute to his double figure performance.

Kevin Ward, who did all his damage in the final three periods, also cracked double digits with 13 points.

Joe Vecchi dunked 7, Jim Veilleux had 4, Matt Chinchillo 2, Bob Dziadosz 2 and Dave Lindsey a single free throw for the victors.

Other standouts included Chris Chinchillo and John Veilleux.

Cheryl Hough popped in 3 points and Chip Wood had a second quarter bucket for C-C.

Also playing well were Tim Jennings, Roger Fisk, Alan Gable, Laura Willson and Steve Francis.

## St. Augustine C, 38-3

St. Augustine C put eight different players in the point column, and the winners were never in danger enroute to a 38-3 decision over Christ Church B.

Paul Burke paced the balanced offense with 10 points, Andy Sartori and Jay

Madden added 6 apiece, Tim Riley 4, Pete Zompa 4, Scott McNamara 4, Tom Finneran 2 and Rich Sullivan had a bucket.

Danny Beckerman played a strong defensive game for St. Augustine C.

Three different C-C players converted free throws to account for its scoring. Steve Blair and Billy Earnshaw connected in the second quarter, while Chris Wright scored during fourth period action.

Jeanne Blair, Matt Leonard, Geoff Pier-son, Nancy Rogers and Eric Anderson were other C-C hustlers.

Scott Zimmerman chipped in 8 points and Darren Lowe 7.

John Recesso, Pedro Gleason and Jim Denoncourt were other top players for S-B.

Danny Kimball and Rick Desmarais sparked the West upset attempt with 10 points apiece, while Jim Lowe added 9.

Top-notch defensive performances were contributed by J. R. Lindquist, Andy Thompson and Eric Nickerson.

## St. Robert's D, 28-16

Jim Terrion returned to the lineup and tossed through 12 points, leading St. Robert's D to its fifth straight victory, 28-16.

The verdict was never really in doubt as St. Robert's led 8-4, 16-8 and 20-12 at the first three quarter breaks.

Bobby French backed Terrion with 9 points, Tom Middleton added 5 and Todd Sleath had a first period basket.

Middleton's consecutive free throw streak was snapped at nine when he missed his first attempt in the opening quarter.

Tim Moynihan added a hustling all-around effort for the winners.

Joe Nerden, Ken Doherty and Glen Markey pumped in 4 points each for St. Augustine B. Dave Caiati and Joe Westcott garnered single fieldgoals to complete the B attack.

Mark Perkowski also played well for St. Augustine.

## St. Robert's C, 31-26

St. Robert's C found itself on the short end of the score 8-7, 13-11 and 24-21 at the conclusion of the first three quarters.

However, a 10-2 burst in the final period enabled St. Robert's to win the contest going away, 31-26.

Neil Saunders and Tony Romano canned six and four points respectively in the pivotal final quarter, and that pair finished the game with 12 and 11 markers to lead the way.

Buddy Ward stuffed 5 points, Tom O'Brien contributed a third stanza fieldgoal, and Robbie Veilleux swished a second quarter free throw for St. Robert's C.

# Top Teams Await Playoffs

By Rick Harrison

The top three teams in the Senior Division of the Andover Church Basketball League, biding their time until the start of the post-season playoffs, all registered victories recently at the West Junior High gym.

Undefeated St. Robert's B, having already clinched the division crown, remained perfect with a second half explosion that carried it past St. Augustine B, 51-30.

Second place St. Augustine A, following a pair of tough losses to the champs, regained the winning trail with a 63-48 decision over South-Baptist.

Second place St. Augustine A, following a pair of tough losses to the champs, regained the winning trail with a 63-48 decision over South-Baptist.

Ballardvale United boosted its ledger to 7-4 and moved a full game ahead of idle fourth-place St. Robert's A, slipping past Christ Church 34-30.

## St. Robert's B, 51-30

The regular season titlists, clinging to a slim 17-16 halftime advantage, outpointed St. Augustine B 13-3 in the third quarter and 21-11 in the final stanza to win this one going away.

St. Robert's B, now 11-0 overall, is the third straight St. Robert's team to capture the regular season Senior Division crown.

Bill Troy led three players into double figures for the victors, tossing through 16 points, while Scott Nottle added 14 and Don O'Brien swished 11.

Don Lindsey canned 6 points for St. Robert's and Bob Leitch, the club's leading scorer for the season, was held to just 4.

Mike Murphy also played well for the winners, who once again were minus guard Phil Farr.

Mark Paradis and Chuck Singer paced the St. Augustine B attack with eight points apiece, Steve Parker netted 4, Steve Paradis 3, Mark Boyle 3, Greg Shapard 2 and Tim Madden 2.

## St. Augustine A, 63-48

St. Augustine A, now 8-3, placed three-

men in twin figures to help offset a one-man show by Steve Rathbun of South-Baptist in the 63-48 contest.

The victors took a 10-5 first quarter lead and were never seriously threatened, hiking the advantage to 30-19 at halftime and 44-29 after three periods. Both teams collected 19 fourth quarter points.

Tim Hart flipped through 14 points for St. Augustine A, Dave Fluet hooped 13 and Ed Powers contributed 11.

Dennis Sheehan popped in 9, Brian McGettrick 8, Pat Beaudine 6 and Mike Beaudine delivered a single basket.

Steve Rathbun, making up for lost time, poured through a single game individual season high 38 points to solidify his hold on first place in the scoring race.

S-B, for one reason or another, had not played the three previous weeks and Rathbun's once-healthy scoring lead had dwindled to just two points prior to this outburst.

Rathbun fired through 14 fieldgoals and converted 10-of-16 free throws, scoring 3-, 10, 8 and 17 points by the periods.

Art Dunleavy chipped in 4 points, Scott Tobey 3 and Mike Carbone 3 points for S-B.

Tom Steadman and Tim Whitton also played well for S-B.

## Ballardvale, 34-30

This game was nip-and tuck throughout before BU put on a fourth quarter burst to pull out the victory.

United inched ahead 7-6 after one quarter, but Christ Church rallied for a 21-16 halftime spread as Eric Fredette and Mark Frost paced the second period C-C

charge.

BU played some good defense and crept back within 25-24 after three quarters, and United then outscored C-C 10-5 in a foul-filled finale to take the win.

Bill Crabtree and Kevin Hollenbeck were the big guns for BU with 13 and 11 points respectively, including four and three in the pivotal fourth session.

Kurt Jensen and Pete Crabtree added 4 points each, while Todd McLeod netted a third period bucket.

Robbie Robinson, Lee Hollenbeck and Russ Bird also turned in strong floor games for Ballardvale.

Eric Fredette was the top man for C-C with 12 points, Mark Frost notched 9,

Mark Rogers was held to 6, Eric Durant had second quarter fieldgoal, and Mark Mitchell swished a single charity.

John Rogers and Todd Durant also played well for C-C.

## Schedule

the final round of games before the playoffs featured St. Augustine A vs. St. Robert's A, St. Robert's B vs. Christ Church, and South-Baptist vs. Ballardvale.

## Scoring Race

Steve Rathbun now boasts 146 points, Mark Rogers 112 and Brian McGettrick 107 as members of the century club.

Two overtime games in the Andover Youth Basketball League's playoffs brought to six the total number of overtime games this season.

The only crown which has been clearly decided is in the Intermediate Division where the Boston College Eagles topped Dartmouth's Big Green.

The Lakers had captured the regular-season title in the Senior Division last week. The runnerup slot, which is being decided in the division's playoffs, remains up for grabs with the Kings and Knicks battling for that title.

The Junior Division is still deadlocked among the Jaguars, Lions and Tigers after three playoff games. All teams have a 1-1 record in playoff activity to date.

## Foul Shooting Tourney

The league's annual Foul Shooting Tournament opens next Monday at 6 p.m. at WJHS with the Junior and Senior Divisions participating. The Intermediates shoot off next Tuesday at 6 p.m. at EJHS. This tournament marks the end of regular player activities for this season. All AYBL players are eligible to participate.

## Awards Banquet

The AYBL's annual awards banquet is scheduled for 6 p.m. on Tuesday, April 11 at WJHS. Tickets for the family spaghetti dinner and ceremonies may be purchased at either of the foul shooting tournament dates above. Tickets cost \$2 per person. No tickets will be available after next Tuesday. No tickets may be purchased at the door on banquet night.

## Invitational Tourney

This weekend marks the third anniversary of the annual AYBL Invitational Tournament. The public has the opportunity to see some of the finest young players in the area. Teams have been entered from Chelmsford, Concord, North Andover, Tewksbury, Wakefield, Wilmington and Winchester as well as Andover. Many of these past tournament players are now starring for their schools varsity teams. Semi-finals are scheduled from 1-7 p.m. at AHS this Saturday. Sunday's final games will be held from 6-9 p.m. at AHS this Sunday. The AYBL entry in the 12 and under age bracket finished as runner up two years ago. Last year's team won the tournament. The AYBL's entries in the 15 and under age bracket has not fared as well, failing to survive the opening round in the previous tournaments.

## Junior Division

The playoff picture is as jumbled now as it was when the playoffs opened late last week. In the double elimination playoffs for the division's champion and runnerup slots the Jaguars, Lions and Tigers all emerged after their first games with 1-1 records. The Jaguars drew the bye to open the event, watching the Lions top the Tigers. The Tigers rebounded in the second game, stopping the Jaguars in an overtime thriller. The Jaguars then came back to drop the Lions in the third game. The fourth game was scheduled for last night between the Lions and Tigers with one team facing certain elimination from the playoffs. The winner of that game will face the Jaguars tonight at Bancroft at 6 p.m. for the division title.

## Lions, 20-14

The Lions opened the game with a case of the jitters, falling behind 5-0 after the first quarter. Mike Morris' defense combined with Greg Hopwood's offense keyed a Lions second period rally as they took a 11-7 lead at halftime. The Lions then increased the margin by two more going into the final period, outscoring the Tigers 5-3 in the third quarter. Both teams tallied four points in the last quarter for the final margin. Greg Hopwood led the winners in double figures while Tim Perry paced the Tigers.

Lions: Hopwood 17 and Mark Patti 3. 11-9-20.

Tigers: Perry 9 and Steve Blair 5. 7-7-14.

## Tigers, 35-31 (OT)

After a close first period, the Jaguars used a big second quarter to take a 17-9 lead into the second half. The Tigers cut the margin by only one point in the third period, entering the final quarter on the short end of a 20-13 score and facing almost certain playoff elimination. The Tigers quickly caught fire in the final regulation quarter, outscoring the Jaguars 14-7 to tie the regulation game at 27. The Tigers momentum carried over into the overtime period as they outscored the Jaguars 8-4 for the final margin. Tim Perry, Steve Blair and Joe Hart led the Tigers comeback victory while Dan Sheehan tallied a game-high 20 markers for the Jaguars.

Tigers: Perry 17, Blair 8, Hart 8 and Tom Novelline 2. 9-18-8-35.

Jaguars: Sheehan 20, Brian Mackey 6, Chris Comparato 3 and Shawn Ferris 2. 17-10-4-31.

## Jaguars, 25-14

Entering the second half with a one point deficit and facing elimination, the Jaguars rallied to even their playoff record at 1-1 at the expense of the Lions. The Lions, hitting scoreless first and third periods, fell behind 12-9 after three periods. The Jaguars then went on a last period rampage, outscoring the Lions 13-5 for the final margin. Brian Mackey led the Jaguars in double figures while Greg Hopwood was high for the Lions.

Jaguars: Mackey 10, Chris Comparato 8 and Dan Sheehan 7. 8-17-25.

Lions: Hopwood 9 and Mark Patti 5. 9-5-14.

## INTERMEDIATE DIVISION

The picture in the AYBL's 11 and 12 year old division was the simplest of all as first-half champion Boston College dropped Dartmouth for the title. Dartmouth, the division's second-half champion, had run off 12 consecutive victories prior to the loss. That streak was the longest in the AYBL this season.

## Boston College, 25-19

Dartmouth opened ice-cold and B.C. took quick advantage, forging a 10-3 lead at halftime. The Big Green remained off

in the third period, tallying only 3 more markers as the Eagles took a seemingly comfortable 16-6 lead into the final quarter. Tom Kannam then sparked a last period rally which carried Dartmouth to within 3 points of B.C. with 2 minutes remaining when he fouled out., B.C.'s Todd Lockwood then hit a hoop and Dick Kelley a pair of free throws to shut the door on Dartmouth.

Boston College: Lockwood 9, Kelley 8,

## SENIOR DIVISION

The Lakers finished the regular season as champions with a fine 10-2 record. The Celtics and Knicks finished tied one game off the pace at 9-3. In the opening single-elimination playoff round for runnerup honors the Lakers drew a bye while the Knicks edged the Nets, the Celtics topped the Hawks and the Kings bombed the Bullets. In the second round the Kings upset the Lakers and the Knicks knocked off the Celtics in another overtime game. The Kings and Knicks met for runnerup honors last night after Townsman presstime.

# Babe Ruth Club Schedules Tryouts

The Andover Babe Ruth baseball team will hold tryouts for its 1978 squad on Saturday and Sunday, April 22 and 23, from 1 p.m. until approximately 3:30 p.m. both days.

The session on Saturday, April 22 will be held at the Andover High school field, while the tryout on Sunday, April 23 will be held at the team's "home" Playstead Field at the East Junior High.

If a third or fourth session is necessary, candidates will be told the time and place following the April 23 workout.

All Andover youngsters ages 13 to 15 are eligible, provided they will not reach their 16th birthday prior to August 1, 1978.

The roster consists of 15 players, and all spots on the team are open. Players on last year's club must earn their way back on the team this season. Members of the

### Knicks, 32-31

The Nets, winless in the regular season, threw a four-period scare into the second place Knicks. Trailing by two after the first quarter, the Nets took the lead early in the second period and held it through most of the third quarter until the Knicks went ahead at 23-22 entering the final period. The Nets again regained the lead and held it until the final thirty seconds. Gary Sanderson and Dave Fluet hit for double figures for the Knicks as did Mike MacDonald for the Nets.

Knicks: Sanderson 19, Fluet 12 and Tim Morris 1. 14-18-32.

Nets: MacDonald 12, Tom Stedman 8, Mike Blair 7, Mark Rosen 2 and Mike Rosen 2. 18-13-31.

### Celtics, 38-27

Tallying an even 10 points in each of the final three periods the Celtics survived a first quarter scare by the Hawks. The Hawks jumped out to a 11-8 lead at the quarter but fell behind by four at the half as the shooting went cold and the Celtics defense stiffened. The combination continued through the third period as the Celts entered the final quarter with a comfortable 28-17 lead. Mike Yuska hit for double figures for the Celtics as did the Hawks Tim Hart.

Celtics: Yuska 20, Bob Emberley 8, John Barrett 4, Ben Bram 2, Jack Kramer 2 and Craig Lebowitz 2. 18-20-38.

### Kings, 49-32

In what was apparently the best matchup on paper in the playoff opening round, the Kings quickly established a big lead and continually shut off the Bullets attempts to play catchup basll. The Bullets fell behind by 12-4 after a quarter and faced deficits of 10 at the half and 12 after three periods as the Kings coasted into the semi-final round. E. J. Perry, Eric Fredette and Dave Newman hit for double digits for the winners. Jeff Saulnier led the Bullets.

Kings: Perry 17, Fredette 13, Newman 10, Scott Tobey 8 and Dan Donovan 1. 27-22-49.

Bullets: Saulnier 17, Chris Valcourt 9, John Stahl 4 and Chris Connor 2. 17-15-32.

Junior High and JV teams are urged to try out.

There is no registration fee in Babe Ruth. The tryouts are free and boys making the team do not have to pay to participate.

Andover competes in the Greater-Lawrence Babe Ruth League, against rival clubs from Lawrence and North Andover.

The locals have qualified for the post-season playoffs, finishing among the top four teams, all but two of the last 24 years.

Andover, placing second in each of the last four seasons, went 20-11-1 overall in 1977 and has a record of 86-33-4 during the past four summers.

Each team in the league plays approximately 20 regular season games, with the top four continuing through best-of-3 semifinal playoffs; and the two survivors meeting in a best-of-5 championship series.

Last year Andover battled into the title series before losing to North Andover, which had an exceptionally fine 26-1 campaign.

The Greater-Lawrence League also selects two All-Star teams during the course of the season, one specifically for 13-year-old boys and the other for the 14-15 year old age group.

These clubs compete in the National Tournament, which begins at the local level and progresses through Regional, State and New England play.

Both the Greater-Lawrence 13-year-old, and the 14-15 year old All-Star teams have advanced to the New England and State Tournaments within the past three years. Two years ago the older group just missed qualifying for the National tourney in Pueblo, Colorado.

Also in the works for the locals this year are possible non-league games against teams from Burlington, Lowell and several other surrounding communities.

### Montreal Trip

The team will make its fifth annual trip to Montreal, Canada the first week of July.

During that excursion Andover will play several games against Canadian teams, will view a Montreal Expos game at the Olympic Stadium, will visit the "Man and His World" exhibition (which includes one of the largest amusement areas in North America), and will go for several recreational swims.

Players will have time to explore the downtown Montreal area as well. While in Montreal the Andover contingent resides at McGill University.

The Babe Ruth tryouts are scheduled so that they will not conflict in any way with Senior League, which caters to the same age group.

All youngsters trying out for Babe Ruth

will have an equal opportunity to attend the Senior League tryouts.

The Babe Ruth team will be chosen and the players notified prior to Senior League tryouts.

Rick Harrison and Ed Kelley will once

again manage the Andover team.

Any youngsters or parents wishing more information may contact Rick Harrison at either 475-2007 or 1-455-5671 in the afternoons or evenings—or Ed Kelley at 475-0605 in the evening.

## To Discuss Pegmatite Pockets

"Picking Pegmatite Pockets" is to be the subject of a talk to be given by Dr. C. Wroe Wolfe at the Merrimack Valley Mineral Club meeting on Monday, April 3.

Dr. Wolfe is a world renowned geologist who has written several books and many articles on minerals and is well known for his talks on TV and radio. He is Professor of Geology at Salem State College and he resides in Andover. One of the well known minerals has been named for him.

New England has several pegmatite areas where semi-precious gem stones may be found. The club is planning field trips to visit some of these areas during the coming spring and fall months. Monthly meetings are held by the club during the winter and it would welcome additional members interested in mineral collecting.

The meeting will be held in the meeting room of the Bay State National Bank at 84 Main Street in Andover at 8 p.m. and visitors will be welcome.

# A.H.S. Ski Team Wins Title

## State Champs

Members of the Andover High Ski Team with trophy emblematic of their winning the state championship recently. From left, Sydni Simpson, Peter Barrett, George Donovan, Mike Silverman, Neil Faigel, Julie Retelle and Liz Walsh.

The Andover High School ski team ended a successful season by winning the Eastern Mass. State Championship held at the Bradford Ski Area, March 2.

There were 21 high school teams competing with each school represented by their eight best racers—the four girls and four boys who had accumulated the most winning points over the regular racing season. The Andover team consisted of Dottie Mellett, Sydni Simpson, Liz Walsh, Julie Retelle, Neil Faigel, Pete Barrett, Mike Silverman and George Donovan.

There were 156 racers at this state meet and the combined score of the Andover girls' and boys' races gave them the championship. Highest scorer for Andover was Neil Faigel, who had the fastest time of the day, and gave Andover 20 points for this win. Also earning points for Andover were Dottie Mellett (12 points), Pete Barrett (10 points), Julie Retelle (5 points), and Sydni Simpson (3 points). Races are scored on a 1-20 point system, with 20 points given to 1st place and so on, down to the racer in 20th place getting 1 point. The boys and girls races are scored separately and then combined for a total team score, with 135 points being the maximum total to be scored by any team.

The girls team ended the season with an 8-0 record, winning the girls' division of the Merrimack Valley League Championship. Dottie Mellett was the leading scorer for the girls' league. Their win helped the boys team, who had a 7-1 record, to make Andover the M.V. League

Champions. The league races were against Methuen, Greater Lawrence Voc-Tech, North Andover, St. John's Prep., Austin Prep., Haverhill, and Masconomet. They also had scrimmages with Stoneham and Pentucket Regional.

During the league season Dottie Mellett earned 156 points and Mike Silverman earned 121 points, making them the top scorers for the girls' and boys' teams respectively. Other top scorers on the team were Julie Retelle (140), Sydni Simpson (96½), George Donovan (97), Pete Barrett (92), Liz Walsh (80), Neil Faigel (77), Karen Landy (68), Dave Roberts (72), Peter Price (64), Grace Emmett (63), Sarah Simpson (61), Don McEvoy (61), and Tony Sanchez (60½).

## On Dean's List

Area students named to the Dean's List at Westfield State College, Westfield, for the first semester are:

Daniel Lafond, 8 Shepley St., Susan Romano, 4 Prospect Road and Linda Temple, 32 Bellevue Road, Andover; Catherine Birch 38, Farnum St., Sandra Giuffrida, 1353 Salem St. and Karen Licare, 412 Massachusetts Ave., North Andover.

Dave Johnson, who started out the season as a high scorer, was unable to continue racing because of a ski accident.

Races and practices were held at the Merrimack Valley Ski Area in Methuen and the Bradford Ski Area, but dry land practice began Nov. 28 at the school with jogging and ski related exercises set up by the U.S. Ski Team exercise program.

Coach Ted Sutton has been responsible for skiing becoming a varsity sport at the high school three years ago. He also set up the Merrimack Valley League

Assisting coach Sutton with the training and organization of the ski team, has been Carl Lippman, a teacher at West Junior High and an avid skier himself.

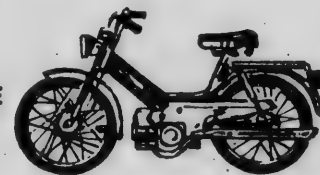

The ski team is subsidized by the individual team members, approximately \$32 a season when they provide their own equipment. The high school provides bus transportation, coaching, race fees, and some equipment costs for the races.

# Bantams Close Season On A Losing Note

By Rick Harrison

The Andover Bantam A traveling hockey team closed its 1977-78 season recently with three games that typified the entire campaign, a trio of tight, defensive one-goal losses.

Coach Dick Neal's crew dropped a 2-1 decision to North Andover and followed that with back-to-back defeats against the Lawrence Bantams by 3-2 and 4-3 scores at Merrimack College.

The results left Andover with a deceptive 6-19-4 overall ledger, as 11 of those losses came by either one or two goal margins.

The locals played outstanding defense throughout the year, but scored only 58 goals themselves in 29 games for a 2.0 per

game average.

North Andover, 2-1

"Dave Leitch played an outstanding game in goal," observed Neal. "Tom Hetley was particularly strong on defense, while right wings Dave Deloury and

George Price also played well. It was an excellent effort by the entire team."

Unfortunately it wasn't quite enough.

Ed Sullivan opened the scoring for Andover, the only goal they were to get, at 7:58 of the first period.

Deloury fed a pass from the right boards to Sullivan, cutting through the slot, and he deposited a 15-foot drive.

NA finally pulled even at 9:43 of the middle session, as Andover had trouble clearing the zone and North Andover eventually scored on the second rebound.

The winning goal came at 7:02 of the final period, when a weak 15 foot shot from the right side deflected off a defenseman and bounced through. Leitch was partially screened on the play.

Andover was minus four key players for the game. Tom Fabiani, Scott Heseltine

and Thayer were out sick, while J.J. Pellegrino was in the hospital for his delayed appendix operation.

Lawrence, 3-2

Dave Leitch once again was the star of the show, but despite his superb goalten-

ding Andover went down to the 3-2 defeat.

Lawrence led briefly on a goal at 10:19 of the first period, but a mere 55 seconds later Tom Fabiani tied it with his second seasonal goal (in limited service because

place in regular-season play, tied up in another classic. The Knicks opened strong, taking a 14-5 lead after a quarter. The Celtics charged back in the second period, cutting the margin to two entering the second half. The deficit was then cut to only one, as the Knicks led 29-28 going into the final regulation quarter. In the final period the Celtics outscored the Knicks 11-10 to send the game into overtime tied at 39. Tom Haskard then took charge, scoring all of the winners overtime markers while the Celtics were unable to score. Haskard and Dave Fluet finished in double figures for the Knicks as did Ben Bram and Mike Yuska for the Celts.

Knicks: Haskard 25, Fluet 10, Gary Sanderson 6 and Rob Kochakian 4. 18-21-6-45.

Celtics: Bram 20, Yuska 14, John Barrett 2, Adam Wise 2 and Bob Emberley 1. 16-23-0-39.

Kings, 48-46

The Kings gained the distinction of being the only team to end up with a winning record against the regular season champion Lakers by taking two of their three meetings, this time on a two point squeaker. After an even first period the Kings exploded for a 10 point bulge in the second period, entering the second half with a 30-20 lead. The Lakers cut the margin to 40-32 entering the final quarter and then fashioned a fine rally which fell just short. E. J. Perry and Eric Fredette led the Kings in double figures. Ted Liszewski led a well-balanced Lakers attack with 8 players hitting the scoring column.

Kings: Perry 24, Fredette 11, Dave Newman 6, Barry Goodman 5 and Scott Tobey 2. 30-18-48.

Lakers: Liszewski 11, Barry Bloom 8, Jay Flynn 8, Bob Kimmerle 7, Dennis Glynn 6, Hai Dang 3, Connie Twomey 2 and Rob Retelle 1. 20-26-46.

of injuries).

"Fabiani threaded the needle from in close, after Rob Leber put the puck in front from behind the net," explained Neal. Defenseman Rick Apgar also collected an assist on the goal.

Leber's first goal of the season made it 2-1 Andover at 3:28 of the second session.

"Apgar carried the puck from the left corner behind the net," related Neal. "He then slipped a pass back to Leber, after drawing the goalie out of position with a good fake to the opposite side."

The score remained 2-1 as Andover killed off a pair of Lawrence powerplays, but at 7:28 of the third period the victors finally tied it.

The winning goal came just nine seconds into Lawrence's final powerplay of the night, at 11:17 of the third period.

Kris Williams worked the first half and was faced with the brunt of the Lawrence assault.

"Leitch was tremendous, stopping several 2-on-1 and 3-on-1 breaks, and even a 3-on-0," observed Neal.

## Lawrence, 4-3

The season finale against Lawrence was a penalty-packed affair, 13 infractions being called against the winners and six on Andover.

Included were a pair of matching majors against each club and a misconduct on Lawrence.

Pete Dunn provided Andover with a

short-lived 1-0 edge at 5:03 of the first stanza, taking a faceoff pass from Ken Banfield and pocketing a 10-footer six seconds into Andover's initial powerplay of the contest.

However, less than two minutes later Lawrence tucked home a pair of goals 89 seconds apart to assume a 2-1 advantage.

John Fuchs' eighth goal at 4:39 of the second period tied it 2-2. Ed Sullivan fed a pass to John just over the blueline on the left side—and he fired a rising 40-foot shot into the opposite corner.

Lawrence regained a 3-2 edge on a powerplay goal at 8:45.

Rob Leber netted Andover's final goal of the season at 6:13 of the third period, tying the contest a third and final time (3-3) with a 35-foot slapshot from the left side. Rick Appar collected the lone assist.

Lawrence won the game on a shorthanded goal at 8:09, as a passout from the rear boards hit a defenseman's skate and rolled slowly through the goalie's pads and into the net.

Andover pulled its goaltender with 45 seconds remaining, and the locals came up with three close chances but couldn't net the equalizer.

Dave Leitch played the first two periods in the Andover cage, while Kris Williams handled the third stanza.

While stripes do not a sportscar make, trophies do. And that's just what souped-up Number 43 has been winning for the past few years. This all-out, hellbent-for-leather sportscar is, believe-it-or-not, a Volkswagen. A 170 horsepower, 150-miles-per-hour, Bilstein shocks, transistorized ignition, racing slicks Volkswagen!

From Daytona Beach to Watkins Glen, our racing Scirocco blew by Jaguars, Corvettes, Javelins, and Datsun 260-Z's on its streak to victory as the 1976 Trans Am Champ for Touring Cars under 2 liters. So you know when we say our more modest but very racy street Scirocco means business, we mean business.

Inside Scirocco you'll find

everything that makes a grand-touring car grand. And to get you where you're going in short order, the Scirocco is equipped with a 1.5-liter fuel-injected overhead cam engine that turns 0 to 50 in 8.2 seconds. Front-wheel drive, rack-and-pinion steering and power-assisted front disc brakes steer it and stop it like a champ, too.

Scirocco. A sleek Italian-styled 2+2 sportscar in the tradition of the master stylist, Giugiaro. To be sure, it's no paper tiger with stripes.

### APPROACH

20 to 30 years. On top of that, with an average 6% inflation rate, home values double every 12 years.

This isn't a cynical approach. It's realistic. In fact, it's one of the main reasons why many wealthy individuals continue to make big real estate investments. And you can do the same with a home that you own and need anyway.
